

I, \_\_\_\_\_, do hereby entrust Red Dog Inn to care for my pet(s) boarding stay and agree to all of the terms listed below. This is a permanent contract which will stay on the pet(s) record until Red Dog Inn makes any contract changes.

I authorize Red Dog Inn to do whatever they deem necessary for the health and well being of my pet(s) and agree to pay for any and all expenses. This will include any sanitary baths that my pet may need while boarding at the Red Dog Inn. At the discretion of the Red Dog Inn if they feel my pet is in need of a sanitary bath(s) due to feces or urine, my pet will be given a kennel bath and a minimal charge will be added to my due balance. This does NOT replace standard grooming! \_\_\_\_\_

If my pet(s) requires special care, I authorize Red Dog Inn to provide that care and agree to pay for those services. I understand checkout time is before 11:00 AM without a grooming on the day of departure and agree to pay for a full day after 11:00 AM if I decline grooming. I will agree to pay for all days reserved, unless I cancel within 48 hours.

I understand that Red Dog Inn has taken every step possible to minimize the occurrence of the common cold in dogs, also known as Canine Cough or tracheobronchitis, including the requirements that all pet guests be vaccinated to reduce the incidence and minimize the severity of any event. However, no amount of supervision, sanitation or personalized care can prevent a pet from contracting an airborne virus. I have read this paragraph and understand its contents.

I understand that the Red Dog Inn and Resort is not responsible for any items left behind. This includes toys, meds, food/food containers, and treats etc. These belongings will be discarded 24 hours after your dog leaves.

I agree to pay for any ancillary services or products requested by me such as, special diets, medications. I agree that I am solely responsible for any damages that the above mentioned pet may cause through malicious or improper conduct. I agree to claim the animal at the agreed upon time and to pay the agreed upon fees, including any necessary additions thereto, and should the owner fail to do so, it is agreed that the Red Dog Inn may take any necessary actions as may be required after a reasonable attempt to notify owner.

Because the boarding experience can be stressful for some pets and because stress can cause suppression of the immune system, I understand that my pet could manifest problems related to any current health issues. While the Red Dog Inn will closely monitor my pet and seek veterinary assistance should the need arise, I understand I will be financially responsible for the health and medical needs of my pet. There is a \$25.00 travel fee for any pet needing to be brought to the vet while in our care.

### PLAYGROUND AGREEMENT

The Red Dog Inn offers playground time for your dog while boarding or during day care in its 3 acre fenced in area.

1. Your dog must be well mannered, tolerate & be able to play well with other dogs in a fenced in area. (If your dog does not get along with other dogs we can not be responsible for your animal in our playground.) No

unneutered male dogs or female dogs in heat, are allowed in the play yard. All dogs must be spayed or neutered.

2. Your dog cannot be a "fence digger" (a dog that will dig under the fence to find an escape route) or a "climber" (a dog that likes to climb). If your dog is a fence digger or climber, we can not be responsible for your animal in our playground.

3. Playground time is supervised at the Red Dog Inn, however, we can not be responsible if your dog is harmed in any way. Although Red Dog Inn provides a safe playground for your dog, your dog may have scratches, nicks, bug bites etc. These are a few possible occurrences.

4. If you decide to let your dog use the playground, there is the chance of your dog getting dirty. If you wish, we can bathe your dog on the day of departure. Reservations for bathing services must be made in advance.

5. The playground is a community environment where dogs interact closely, thereby increasing the chances of getting a communicable illness such as canine cough. I indemnify the Red Dog Inn from any responsibility if my dog contracts such an illness and will pay for any veterinarian care such an illness may require.

I, as owner of \_\_\_\_\_ understand all conditions of this agreement and allow my dog to play in the Red Dog Inn playground.
